The Condamine district combines charm, convenience, and a lively urban atmosphere. Centered around the famous Place d'Armes and stretching along the Port Hercules, it offers a dynamic mix of markets, boutiques, cafés, and restaurants. Its picturesque streets, pedestrian zones, and proximity to the port make it an ideal area for both residents and visitors seeking a true Monégasque lifestyle.

A superb 3-room apartment for mixed use (home or office), located on the 2nd floor (equivalent to the height of a 3rd level) of the "Le Petrel" building, a modern residence with elevator ideally located on the only pedestrian street in the Principality.

Bright, refined and refined, this apartment is located in Port Hercules. Completely renovated with high quality materials, it offers a contemporary atmosphere enhanced by particularly careful finishes.

It consists of an entrance hall opening onto a living room with open-plan kitchen and terrace, as well as two bedrooms, each with its own bathroom and private terrace.
